8670WH 8670BK	Matte White Matte Black	To all Lytejacks Power Jacks	20W-50W MR16 12V	2" Series Color Filters and Spread Lens, Louver No. 7472 Matte Black Framing Projector 6497 (for performance data see Specification Sheet 6497).

General Description

Minimal "open back" style with ring-shaped housing supports MR16 lamp, gives intriguing light spill from back of lamp. Provides wide range of beam spreads from narrow to wide. Retaining springs allow fast snap-out, snap-in relamping. May be used with a choice of accessories, including framing projector. Stem of MR16 Ring plugs directly into any Power Jack.

Finish

All painted surfaces, baked enamel.

Electrical

Bi-pin ceramic socket pre-wired with No. 18 SF-1 leads with fiberglass braided sleeve and silicone outer sleeve.

Labels

UL; I.B.E.W.

Patents

Products shown here are protected by applicable patents and patents pending.
